## Terms and Conditions

We try and keep most items in stock, however a majority of our stock relies on resources and parts from other suppliers, in some cases we not be able to supply for 4-6 weeks or longer, if in doubt please email to check supplies (Especially on large orders).

We offer mail order on all our items (Minimum order £7.50), please allow 28 days for delivery. We cannot accept orders via email as this is not secure - any orders received will be rejected and deleted. We accept cheques (made payable to Ian Stoate Models) or most major credit cards (These will be billed under East Somerset Models)

When ordering please state your Name, Address, and the Stock Code(s) for the item(s) you want, don't forget to add £2.50 P&P (Special Delivery £5.50 - suggested on items orders over £50); enclose a cheque/postal order or your Credit Card Number and Expiry Date (Remember the delivery address must be the same as the address of the cardholder) then send your order to the address at the to of the page.

International Orders will only be accepted on the relevant Order Forms and using a valid Credit Card (No Cash/MO's/Cheques etc), P&P cost will be charged at actual cost to destination country.

Please ensure that you order the correct items, any refunds for non-faulty goods must be made within 14 days of receipt of goods. A 10% charge for Credit Card Transactions or £1.00 for refund via Cheque will be levied; refunds will only be given on the cost of goods - P&P will not be refunded.

Goods are guaranteed for 6 months and replacements during this period will be at our discretion upon inspection.
